

OTHER USEFUL FIRE WEBSITES

[OES](#) and [CAL Fire](#) have provided a wealth of knowledge that can be used for referencing facts and information about fire prevention and ongoing emergency management. Here are some of the particularly helpful links within both sites.

General Information

2009 Fire Season

http://cdfdata.fire.ca.gov/incidents/incidents_current

Includes an up-to-date RSS feed on fire bulletins as well as data organized by county and dates. The site also includes links to CAL Fire policies which may be useful in the weeks following a fire as disaster management efforts turn to legislation.

Emergency Preparedness for Home and Business
